

WELCOME!

To enter, we will send you the code for the key safe via WhatsApp. Didn't receive it? Contact us.

To get the key: enter the code correctly, then pull down the small black lever at the top left—the hatch will open toward you.

Please scramble the code again after taking or returning the key.

The WiFi name and password are on the information board.

In the dressing room, you'll find a flip chart and extra paper. Markers are in a pouch in the middle drawer in the kitchen.

In the small white wooden cabinet, you'll find all kinds of tea, water, and wine glasses, as well as holders for tealights. On top of the cabinet is a basket with tealights and lighters.

The kitchen is mostly self-explanatory. Tea is in the top drawer.

Cartons of long-life milk are in the fridge.

Dish towels and more are in the bottom drawer.

Extra stock is on the shelves. Let us know if something's missing or not working.

In the large room, you'll find a black JBL speaker. You can connect via Bluetooth.

If multiple people have Bluetooth enabled, it can cause interference—something to be mindful of.

Please avoid making noise after 10:00 PM.

The top shelves in the two large cupboards next to the kitchen display items for sale.

If anyone wants to buy something, they can message Kitty (see number below), and she'll send a payment link.

Below in the same cupboard are dishes, cutlery, and the projector.

Extension cords are in a basket under the espresso machine in the kitchen.

Trash can go into the grey bin outside against the wall of Naar Zee (or on the street if it's not there).

Need a vacuum cleaner (e.g. for broken glass)?

You'll find one behind the double doors next to the front door.

Feel free to move tables and chairs.

We kindly ask that you leave everything else (especially plants!) as you found it.

We hope you have a wonderful time at Naar Zee.
